This case was discussed with the D.S. 2. Since the lands are forest lands it will be necy to disforest them before they are granted permanently to the Socy. After the lands are disforested, the orders contained in G.R. No. LND 3956/29826-B dated 18-11-56 will be applicable to them and so they cannot be disposed of permanently till the survey and demarcation is completed by the Agl. Deptt. Letter No. B3-132-1995/56-57, dated 3-6-57 from the C.C.F, Mysore.

The C.C.F is not in favour of grant of lands to the Society on permanent basis, as the grant will create awkward boundary of the forest and there is good growth in the lands. Moreover villagers have objection for grant as there is insufficient grazing area in the village limits and the forest area is in the Dist is below the minimum percentage.

The DFO Dharwar has reported in his letter No C/11/148(56-57)184 of 27-4-57, that the ~~land~~ area ~~containing~~ comprising these lands ~~are not~~ is under the ~~amarg~~ unclassed forest and they have been given ~~under~~ to the R.D. for management as they are not fit to be managed by the Forest Deptt. Therefore the R.D. has leased out these lands to the Attikatti Society for cultivation in 1951. Since then the lands are ~~under~~ in the possession of the Society. This Society consisting of 20 backward class members, is a registered under the Coop. Act and it has spent Rs 2400/- for the improvement of lands and has constructed bunds.

Plug K

The collector of Dharwar, Dy Registrar Coop Farming Poona, and the Director of Backward class welfare Poona, recommend the grant of lands to the Society. The Plant Officer Gadag has not only recommended the grant but also

reported that the objection raised by the villagers is not tenable. Moreover ~~the~~ from the sketch it is seen that these lands are quite close to the village gaothan of Athikatti. Due to which, the forest trees will be liable for constant hacking by villagers if these lands are ~~taken~~ included in the Reserved forest area.

In view of the ~~peculiar~~ unsuitable position of the lands for reservation of forest, and the ~~co~~ recommendations from the above Officers, and the large amount spent by the poor ~~men~~ backward class members of the society, the lands may be disforested and surrendered to the R.D. for being granted to the society for cultivation on permanent basis. If approved, draft G.O. for disforestment of lands will be put up.

20/8/57

This is a case where the objection of the dept have to be waived & lands granted. Except creating an awkward boundary, (Para 4) other objections are not unreasonable. The dept should not have parted with it even in the first instance if it was so important. It maybe disafforested & granted

Sir,

Sub: Grant of land to the Co-operative Tenant Farming Society, Attimatti on permanent basis.

Ref: Endorsement No.DD/CSF 1356/4710/E dt.7th August 1956 from the Secretary to Govt., Agri.& Forest Department to the C.C.F.,Bombay State, Poona.

I forward a copy of letter No.22/170/394 dated 21.5.1957 from the Conservator of Forests, Belgaum Circle together with the case papers (pages 1 to 103) on the above subject for favour of perusal. Under the circumstances reported by the Conservator of Forests, I agree with him that it is not desirable to grant the land permanently in favour of the Society.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS

Below No. C/11/148/(56-57)/184 dated 25th/27th April 1957 from the Divisional Forest Officer, Dharwar.

Subject:-Grant of land to the Co-operative Tenant Farming Society, Attikatti on permanent basis.

No. 22/170/394 of 1957-58.
Belgaum. 21 May 1957.

Submitted to-gether with case papers (pages from 1 to 97) to the Chief Conservator of Forests in Mysore, Bangalore with reference to the Chief Conservator of Forests, State of Bombay, Poona's No. 17/D/SG/A/4370 dated 25th August 1956.

2. The F.S.Nos. 137 to 139 of Sortur measuring 76 acres and 21 gunthas in charge of the Revenue Department were leased out by the Revenue Department for cultivation to the Co-operative Tenant Farming Society, Attikatti on Eksali lease for a period of five years from 1951. The Divisional Forest Officer, Dharwar is not in favour of recommending the area for perhanent grant in favour of the Society for the following reasons:-

i) The grant of the area will create awkward boundary of the forest.

ii) There is objection from the villagers to grant the area to the Soeity on the ground of in-adequacy of grazing area.

iii) The area contains fair amount of tree growth and it is convenient for forest administration.

P.T.O.....2.

iv) The forest area in the District is only about 7 to 8% as against the minimum 33%.

3. Though the S.Nos. were granted to the Society in 1951, it has been intimated by the Revenue Department that the S.Nos. were actually cultivated since 1954-55 and an amount of Rs. 2,400/- has been expended by the Society so far on improvement of the land.

4. The undersigned agrees with the Divisional Forest Officer's remarks. However the question of grant or otherwise may be left to Government for decision.
